Celebrating 40 Years: 2024 Qantas Australian Tourism Awards Honour Winners in Adelaide

Tonight, the 2024 Qantas Australian Tourism Awards celebrated 40 years of excellence and recognised the nation's best tourism businesses, showcasing the dedication to quality and innovation that defines Australian tourism.

Held at the Adelaide Convention Centre in South Australia, this year's awards not only honoured achievements across 26 categories but also served as a moment of reflection on the vibrant four decades-long history of the Australian Tourism Awards.

"Over the past 40 years, the Australian Tourism Awards have been a testament to the vision, perseverance and passion of our industry. Each winner represents the evolving spirit of Australian tourism – businesses that embrace innovation, adapt to change, and continually raise the bar for visitor experiences," said Shaun de Bruyn, Chairperson, Australian Tourism Awards.

"This milestone is not just about celebrating history but also looking ahead to who will shape Australian tourism into the future," said Mr de Bruyn.

Among the night's Gold winners, BIG4 Adventure Whitsunday Resort (QLD) and Urban Camp Melbourne (VIC) were inducted into the prestigious Hall of Fame after securing Gold for three consecutive years in the Caravan & Holiday Parks and 3–3.5 Star Accommodation categories, respectively.

Questacon – the National Science and Technology Centre (CBR) was recognised as the winner of Major Tourist Attractions, while Darwin Festival (NT) claimed Gold in the Major Festivals & Events category.

For their first ever win, Spinifex Brewery Cable Beach (WA) took Gold in the New Tourism Business category. The Tourism Wineries, Distilleries and Breweries category saw Gold awarded to Seppeltsfield Barossa (SA).

Peppers Silo Hotel (TAS) triumphed in the 4-4.5 Star Deluxe Accommodation category, with Balloon Aloft Australia (NSW) securing Gold in Excellence in Accessible Tourism.

Senator the Hon Don Farrell, Minister for Trade and Tourism, said the Australian Tourism Awards are an important way to recognise the outstanding operators across Australia.

"My sincere congratulations to all nominees and winners, it is an absolute honour to work alongside you to ensure the industry continues to go from strength to strength," said Minister Farrell.

“Your outstanding contributions to our tourism industry reflects the passion, creativity and authenticity that make visitors eager to explore all the incredible destinations across our country.”

“Your efforts have not only enhanced the global appeal of Australia but have also supported thousands of jobs, strengthened local communities, and contributed to the continued growth of our economy.”
